What is Covered ?

Property

Enjoy comprehensive coverage of your property including assets and inventory against unexpected perils. Your investments in the business are secured.

Business Interruption

Safeguards your business against any disruptions from perils. You are covered for any loss of income and ongoing expenses incurred. This cover accelerates recovery and minimizes downtime.

Fidelity Guarantee

Protects your business against internal fraud and dishonesty by employees. A great safeguard against financial losses due to employee misconduct.

Work Injury Compensation

Protection for workers by providing cover for medical expenses, lost salary and compensation for work related injuries in accordance to Work Injury Compensation Act. It extends to include Common Law claims from injured workers.

Public Liability

Shields your business from legal liabilities stemming from third party injuries or property damage. Also provides cover for legal expenses and settlements. Safeguards your reputation and financial security.

Product Liability

Provides covers against liability claims related to your products, and claims on injuries or property damage caused by your products. Ensures your brand's reputation and financial stability.

Money

Provides coverage against theft, burglary or accidental loss that the business potentially may face. The financial stability for your operations is guaranteed.
